

## WEDDINGS

Something Old, Something New, Something Borrowed, Something...HPNOTIQ!

### PARTY TIPS

Wedding tradition dictates walking down the aisle with something old, something new, something borrowed and something blue. Create a new tradition by toasting your love with "The Something Blue." Invite guests to celebrate with Hpnotiq, which will add style to any reception, and provide an upscale alternative to traditional wedding beverages.

### FAVORS & FLAIR

Choose a silver centerpiece with blue candles, and complete each place setting with a small bottle of Hpnotiq. Create Hpnotiq gift baskets for the bridal party including a bottle of Hpnotiq, crystal glasses and silver bar accessories.
